DR. DUFF'S SCIENTIFIC, CERTAIN AND COMPLETE CURE FOR

Weak, Nervous, Restless at night, and Weak, Aching Back, Diseased Kidneys, Inflamed Prostate, Despendent, Lack of Energy, Ambition and Strength, Poor Memory, Hollow Eyed, Face Pimples and Dark Circles under eyes.

An endless number of men have one or more of the above symptoms and dragrom day to day in despair of a prosperous, hancy future, and well they may.

from day to day in despair of a prosperous, happy future, and well they may, for if neglected their health is sure to be wrecked by a complete loss of physical.

My method completely and permanently revives manhood after "cure-all" remedies and "quick-cure" specialists fail to even benefit.

My scientific, systematic course of treatment for weak, nervous, broken-down rouths and men, who have, through folly, dissipation and excesses, unfitted themselves for work and the enjoyment of life, is a system that has been tested many times over and proven entirely satisfactory in every case, it is totally different from the many sickening pills and tablets, and the stimulating stomach-ruining drugs given by would-be specialists. My specific treatment for all the symptoms indicating Falling Manhood is harmless, though so effective as to remove them immediately. It is constitutional; therefore, by purifying and earlehing the blood, strengthening the pervous system, neurishing the tissues, the patient becomes strong and healthy, with all signs of th trouble forever gone. This treatment is to the human system what then my is to the tree-it buds energy, ambition and confidence that leaf into a prime, healthy, manly feeling of new life.

Isolutely no charge unless sutisfaction is given.

NO CURE, NO PAX—Absolutely no charge unless suitsfaction is given. Every patient is given a written guarantee to refund every dollar paid for services in a stated length of time if they do not receive a complete, lifelong cure and entire satisfaction, and my well-known financial standing is sufficient evidence to anyone that I am entirely responsible for any contract that is not fulfilled.

Consultation Free, Confidential and Invited, both at office and by correspondence. Successful treatment by mail. Terms are always made to suit the convenience of any one applying for treatment, and very reasonable charges. Do not treat elsewhere until you have investigated my methods and terms. Office hours during week, 8 a. m. to 8 p. m.; Sundays, 9 to 1.
